§26.210 Provisions for small businesses

(a) Bidding credits. A winning bidder that qualifies as a small business or a consortium of small businesses may use a bidding credit of ten percent to lower the cost of its winning bid.

(b) Installment payments. A winning bidder that qualifies as a small business may pay its winning bid amount (less upfront payments) in installments over the ten year term of the license, with interest charges to be fixed at the time of licensing at a rate equal to the rate for ten year U.S. Treasury obligations plus 2.5 percent. Installment payments are due quarterly on the anniversary of the day the license is granted. Failure to make timely installment payments may result in revocation of the license. Small businesses are permitted to make interest-only installment payments during the first two years of the license.

(c) Down payments. A winning bidder that qualifies as a small business is permitted to make a down payment equal to 5 percent of the winning bid due five days after the auction closes with the remaining 5 percent down payment dues five days after Public Notice that the license is ready for

grant.

(d) Unjust enrichment. If a licensee that utilizes a bidding credit under this section seeks to assign or transfer control of its license to an entity not meeting the eligibility standards for bidding credits or seeks to make any other change in ownership that would result in the licensee no longer qualifying for bidding credits under this section, the licensee must seek Commission approval and reimburse the government for the amount of the bidding credit, plus interest at the rate imposed for installment financing at the time the license was awarded as a condition of the approval of such assignment, transfer or other ownership change. The amount of the payment would be reduced over time so that a transfer in the first two years of the license would result in a payment of 100 percent of the value of the bidding credit; in year three of the license term

the payment would be 75 percent; in year four the payment would be 50 percent and in year five the payment would be 25 percent, after which there would be no payment. Transfer of control or assignment of station license is also subject to provisions of §1.2111 of this chapter.
